

Refining Your Assessment Plan: Session 3
Developing Feedback Mechanisms
Exercise

1. *Who* examines/reviews the assessment data that are collected? *When* is the best time to do this? *Where* is the best place to do this?

2. How could rubrics and/or content analyses be used during this examination/review?

3. Which way(s) of summarizing the assessment results would be best for your program(s)?

4. With whom will your results be shared?
